

## **Online withdrawal is now available for NRSPs**

We're simplifying and accelerating the withdrawal process for Non-Registered Savings Plans (NRSP). You no longer have to find, fill out and submit paper forms.

### **How it works**

Online withdrawal allows you to transfer assets from your group non-registered savings plan to a personal bank account directly from the plan member secure website. You can make a withdrawal once per day up to a maximum of \$20,000 per withdrawal. Usual withdrawal fees apply. Payment can only be sent via Electronic Fund Transfer.

Online withdrawal is available anytime, 24 hours a day.

You can find this feature on **Manulife.ca** within the plan member secure site under **My Account -> Make a Withdrawal**
