

You can access your group retirement accounts on the go!

With the Manulife Mobile app, you can view your savings totals and plan details, recent activity, contribution history and rates of return. You can stay on top of your retirement savings the same way you organize and manage the rest of your life – online and on the go! All of this in addition to having access to your Manulife group benefits accounts, right at your fingertips.

For even easier access, Apple® users can use Touch ID® and Face ID® and Android™ users can use fingerprint authentication.
