

Taking care
of the people
that matter
most to you

Naming a beneficiary for each of your retirement plans can help ensure that your savings will be paid to the person(s) of your choice in the event of your death.*

Review your beneficiaries regularly to ensure they continue to reflect your wishes. You can find the names of your designated beneficiaries in your online member account or on your member statement.

Don't delay. Designate or update your beneficiary today. Go to [manulife.ca](https://www.manulife.ca) and print a Change form. Return the completed form to Manulife at the address shown on the form.

*If you have a registered pension plan, legislation requires that your spouse or common law spouse or partner receive some or all of the benefits following your death, unless they have signed a waiver.
