

What's better than having benefits?
Having benefits on the go.

Manulife *Group Benefits* Mobile allows your plan members to manage their benefits from their favourite mobile device, wherever they have an internet connection.

Group Benefits Mobile offers:

- Fully secure login with all personal data kept confidential and encrypted
- Home page with message centre
- Ability to submit new claims
- Functionality to view most recent claims details

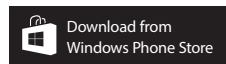

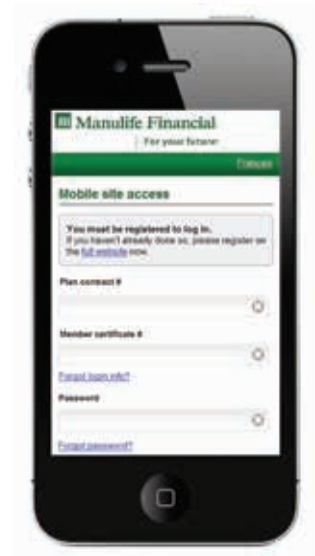

Plan members can access the *Group Benefits Mobile* two ways:

1. Mobile site

- Access from any browser on any mobile device
- If the desktop site is accessed on a mobile device, plan members will be asked if they would like to continue to the mobile site or the desktop site

2. Mobile app

- Plan members will be directed to the mobile site when the app is launched
- The *Group Benefits Mobile* app is available for download from any app store

Responsive web design

Group Benefits Mobile was designed to be responsive and automatically adapts to fit any mobile device screen. This ensures optimal viewing for your plan member, no matter what mobile device they use.

My drug plan is a user-friendly online tool **available** on the Manulife Plan Member Secure Site. It provides members **that have a drug card** with coverage information about their drug plan. It's easy to use and they can access information quickly using their computer/laptop or favourite mobile device.
